

The Jubilee Has Come!

Tune: *Hymns*, #245, "The Comforter Has Come"

The voice of grace is heard; its sound the spirit
stirs!

The Scripture's now fulfilled; it speaks of God's
good will!

Christ Jesus has appeared! His proclamation's
clear:

The Jubilee has come!

The Jubilee has come! The Jubilee has come!
The prophets were aware; the Lord this word
declared!

The year acceptable! His full salvation shows!
The Jubilee has come!

Upon the Son of Man God's Spirit did descend!
The Savior to anoint, the Herald to appoint!
Bring gospel to the poor! The broken hearts to
cure!

The Jubilee has come!

For captives, freedom claim! Set liberty aflame!
Cause all the blind to see! Their vision to
receive!

Give all oppressed release! From bondage set
them free!

The Jubilee has come!

O speak this note of cheer! Proclaim it far and
near!

Where human sorrow's found; where misery
abounds!

The gospel now make plain! Ring out the bless'd
refrain:

The Jubilee has come!

Jubilee! Jubilee!

Tune: *Hymns*, #991, "Jesus Saves!"

Hear the joyful trumpet sound:

Jubilee! Jubilee!

Let the word of grace abound:

Jubilee! Jubilee!

Liberty is now proclaimed!

From all bondage we are free!

All lost property's reclaimed!

Jubilee! Jubilee!

God is man's appointed share!

Jubilee! Jubilee!

He's our lot divinely fair!

Jubilee! Jubilee!

Once we lived a life that's vain!

Now we're full, with Christ replete!

What a portion we've regained!

Jubilee! Jubilee!

We have left captivity!

Jubilee! Jubilee!

Christ's redemption's set us free!

Jubilee! Jubilee!

Gone are Satan, world, and sin!

From their slav'ry we've been freed!

With a new life we begin!

Jubilee! Jubilee!

All our roaming days are done!

Jubilee! Jubilee!

With God's people we are one!

Jubilee! Jubilee!

For a home we've always yearned!

It's the Church, God's family!

To our kinfolk we've returned!

Jubilee! Jubilee!

Echo now that awesome sound:

Jubilee! Jubilee!

Sanctify the year renowned:

Jubilee! Jubilee!

Spread the news across the land!

Go announce in ecstasy!

God's salvation is at hand!

Jubilee! Jubilee!

The Age of Jubilee!

Tune: *Hymns*, #1324 (Ode to Joy)

In the Day of Expiation blow the horn of liberty!

It's Jehovah's Word to Israel to announce the

Jubilee!

Each one to his land return, and to his own lost
family!

'Tis the Sabbath year of Sabbaths, for man's rest
and ecstasy!

Christ appeared to usher in the glorious age of
Jubilee!

He brought God to men, and from the hold of
Satan set them free!

Eyes He opened, hearts He mended, burdened
sinners He released!

'Tis the season of salvation purposed from
eternity!

Rise up, Christians, go and open people's eyes
that they may see!

Turn them unto God from darkness, from His
foe's authority!

Sin's forgiveness and a portion of the saints they
will receive!

Sanctified by faith to taste the blessing of God's
Jubilee!
