

Message Four—Study Questions

1. Show the line of the Triune God being water as recorded in the Bible from Genesis to Revelation. Explain also the intrinsic significances of waterbrooks, springs, and fountains in the good land and the significances of valleys and mountains.
2. Show from 2 Corinthians 4 how the apostle Paul manifested the resurrection life by living a crucified life.
3. Explain the two evils mentioned in Jeremiah 2:13 and the way to be kept from committing these evils.
4. Based on Isaiah 12:3-6, describe the ways to draw water from the springs of salvation.
5. Show how Jeremiah 17:7-8 presents a picture of God's economy being carried out by the divine dispensing.
